PHILIPS

Candle energy saving bulb
8 W (35 W) E14 cap, Warm white

8710163215488

Highlights

Soft, easy on the eyes light

Energy-saving lamps from the Philips Softone series are designed to provide a gentle, diffused light, perfect for general home lighting. Choose between different color temperatures to create the atmosphere you want.

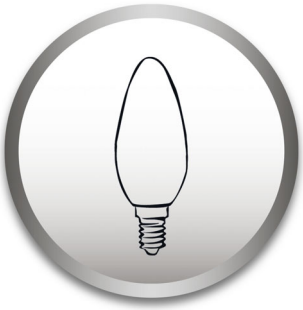
Saves up to 80% energy

This bulb uses up to 80% less energy than traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long lifetime - up to 10 years

Philips energy-saving bulbs are designed to last. With a lifetime of up to 10 years, you can avoid the hassle and cost of frequently replacing bulbs, while saving energy year in, year out.

Looks like a standard candle



This bulb combines energy saving technology with an elegant, traditional look and feel. It is ideal for general home lighting, complementing your luminaires beautifully.

* Breaking a lamp is extremely unlikely to have any impact on your health. If a lamp brakes, ventilate the room for 30 minutes and remove the parts, preferably with gloves. Put them in a closed plastic bag and offer it to the local waste facilities for recycling. Do not use a vacuum cleaner.
* * Compact fluorescent lamps have to be treated as special waste, they must be offered to the local waste facilities for recycling. The European Lighting Industry has set up an infrastructure, capable of recycling mercury, other metals, glass, etc.
